

Client Services Agreement

This Agreement is entered into between Maximus Markets Limited and the Client.

1. Services

The company provides technology-based services related to online trading platforms including access to trading interfaces, market data tools and operational support services.

2. Client Responsibilities

Clients agree to provide accurate identification information and comply with applicable laws.

3. Payments

Clients may be charged service fees related to platform access and operational services.

4. AML Compliance

The company may request identification documents and suspend services if suspicious activity is detected.

5. Limitation of Liability

Trading in financial markets involves risk. The company does not guarantee profits.

6. Termination

Services may be terminated if the client violates the terms of this agreement.

7. Governing Law

This agreement shall be governed by the laws of Saint Vincent and the Grenadines.
